REMEMBER? Doug Ault is the only Blue Jays player to hit two HR's in his first game with the club. It occurred in the franchise's first game, April 7, 1977 vs Chicago.

NAME THE TEAM CONTEST

The Blue Jays were named in a contest conducted in June and July of 1976. Over 30,000 individual entries were received, suggesting over 4,000 names for the new American League club. From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name Blue Jays, and a drawing was held to select a grand prize winner from those who submitted the name. Dr. William Mills of Etobicoke, Ontario, won a pair of season tickets for 1977 and an all-expenses paid trip for himself and his family to watch the Blue Jays at spring training in Dunedin, Florida. Nine runners-up also won season tickets.

BLUE JAYS LOGO

The Blue Jays logo was created by the Toronto design firm of Savage Sloan, Ltd. It depicts a stylized Blue Jay on a red baseball outline incorporating a red maple leaf. The logo features two shades of blue, and red. It was selected to represent three facets of the club's identity: the team name, baseball, and the fact that the team is Canadian.

ITEMS OF INTEREST

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

TRADING REGULATIONS: The trading deadline is July 31.
Trades may be made with any other major league club in the period from the end of the championship season through July 31 (5:00 pm EDT) without waivers. Waivers are required, however:
1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after 3 years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring 3 years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service; special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: The 1985 collective bargaining agreement brought about changes in the waivers process. Following is information on the new waiver agreements.

SUBSTANTIVE
- The "trading deadline" is now *July 31*. Waivers are required for any inter- or intra-Major League assignment during the period beginning August 1 and ending at 5 pm ET the day after the end of the season. During the other ten months of the year no waivers are needed.
- It will be easier to compute which players need waivers before they may be optioned: if three years (less one for each previously spent on option) have elapsed since the player *actually* reported to the Major Leagues for the first time, waivers are required. The date of actual physical reporting will be used as the benchmark instead of the date the player was first placed on a club's 40-man roster.
- The procedure for outright assignments to the National Association remains unchanged from the 31st day of each season until August 31; during this period, ordinary waivers are required. However, from September 1 until the 30th day of the following season, special waivers are required:
  The club must tender a special waiver request specifying that waivers are requested for the purpose of outright assignment to the National Association. The claiming period, as with other waivers, is three business days, and an assignment pursuant to special waivers must be completed by 2 pm ET the seventh day after the waivers were secured.
- Seventy-two-hour waivers, secured on players recalled not to report, continue unaffected except insofar as they no longer suffice for an outright assignment to the National Association during those times in the year when special waivers are required.

PROCEDURAL
- Waiver requests deadline is now 2:00 pm Eastern Time.
- Claiming period is now *three business days* for all waiver requests, including "special waivers" and waivers for the purpose of unconditional release.
- AL Only and NL Only waivers have been abolished.
- In the event of claims, withdrawals period is *two* business days.
- A club may withdraw once *per waiver period* on any one player.
- New waiver periods:
  November 11–30th day of season
  31st day of season–July 31
  August 1–November 10
- "Special waivers" and waivers for the purpose of unconditional release may both be requested during the closed period, October 10–November 10.
- Waiver price for selected and draft-excluded players is now $25,000, and may be set by agreement ($20,000 minimum) in all other waiver assignments. Rules on priority of claim are unchanged.
- Closed period on selected and draft-excluded players now runs from October 10 through the 25th day before Opening Day, and no assignments may be made pursuant to such waivers until 15 days before Opening Day. "Dates to Remember", from the league offices, will specify the correct dates each year.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:
Six years of Major League Service continues to be required to be eligible for free agency.
The Re-Entry Draft has been abolished.
A player has 15 days from the first day following the World Series to file for free agency.
By December 7, former club must offer to arbitrate *or* becomes ineligible to sign player. By December 19, player must accept offer *or* on January 9 former club becomes ineligible to sign the player. (Ineligible club regains eligibility the following May 1.)
If club and player proceed to arbitration, maximum salary cut rules do not apply.
Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION:
Beginning in 1987, three years Major League Service required for eligibility.
Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.
Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

FREE AGENT DRAFT RULE (AMATEUR DRAFT) – REVISED FOR 1987: One selection meeting shall be conducted year in June to be known as the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A selected player shall be placed on a club's Negotiation List and shall remain, thereon until the start of the Closed Period (The seven days preceding the Summer Meeting) of the next selection meeting, unless at an earlier date he (1) signs a contract (2) is removed because he was not eligible for selection (3) becomes a College Player by entering or returning to college.

A club may not transfer its Negotiation Right to any other club.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

SUSPENDED GAME RULE:
Rule 4.12 SUSPENDED GAMES

(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
(1) A curfew imposed by law;
(2) A time limit permissible under league rules;
(3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
(4) Darkness because of any law, the lights may not be turned on.
(5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
(i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:
NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.

(c) A suspended game shall be resumed and completed as follows:
(1) Immediately preceding the next scheduled single game between the two clubs on the same grounds,
or
(2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible:
(i) Immediately preceding the next scheduled single game, or
(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(d) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

4.11(d)
A called game ends at the moment the umpire terminates play. EXCEPTION: If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED game in each of the following situations:

(1) The visiting team has scored one or more runs to tie the score and the home team has not scored.
(2) The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead.

DISABLED LISTS: REGULAR DISABLED LIST: Maximum number of players on list at any one time–three (3). Minimum period of inactivity–twenty-one (21) days. Players may not be placed on the Regular Disabled List earlier than fifteen (15) days prior to the start of the Championship Season. SUPPLEMENTAL DISABLED LIST: Maximum number of players on list at one time–two (2) of which no more than one (1) may be a pitcher. Minimum period of inactivity fifteen (15) days. SPECIAL DISABLED LIST: Maximum number of players on list at any one time–one (1). Minimum period of inactivity–thirty (30) calendar days. Placements on this List are limited to Clubs who have two (2) players on the Supplemental Disabled List, and three (3) players on the Regular Disabled List, and subsequently incur an injury or ailment to a player whose estimated disability will exceed twenty-one (21) days, yet be less than sixty (60) days. EMERGENCY DISABLED LIST: Maximum number of players on list at one time–no limit. Minimum period of inactivity–sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season.

Day 1 is day *following* player's last game appearance.
Reinstatements may be made beginning Day 16, 22, 31, or 61 respectively; after minimum period has expired player may be reinstated at any time (except in certain "Emergency" cases . . . see above).

AMERICAN LEAGUE CURFEWS: No inning of an American league night game can start after 1:00 a.m., local time. Any inning started prior to 1:00 a.m. can be completed. Curfews shall be waived for the final series of the season between two teams in each of the cities.

Any game, regardless of length, called because of the time curfew, becomes a suspended game and must

be completed from the exact point of interruption before the teams play their next scheduled game against each other.

DEFINITION OF NIGHT GAME: Any game scheduled to start after 6:00 p.m. (i.e. 6:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 6:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

BATTING CHAMPIONSHIP QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPIONSHIP QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:
(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;
(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;
(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. EXCEPTION: If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING AN EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING PERCENTAGE OF GAMES WON AND LOST: Divide the number of games won by the total games won and lost.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

SUSPENDED GAMES: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

"SAVE" RULE: A pitcher shall be credited with a save when he meets all three of the following conditions:
(1) He is the finishing pitcher in a game won by his club, and
(2) He is not the winning pitcher, and
(3) He qualifies under one of the following conditions:
  (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or
  (b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or
  (a) He pitches effectively for at least three innings.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a Designated Hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a Designated Hitter only.

EARNED-RUNS RULE: The determination of earned-run is as follows:

"An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play."

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliefer are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d).

DETERMINING A "MAJOR LEAGUE YEAR": 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:
is credited for each day the player appears on an active roster *or* major league disabled list or suspended list.
in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
in the case of a major league player who is traded and reports in the normal course, service is not interrupted.
in the case of a player sent down to the minor leagues, is credited through the date of the assignment.
in the case of a player who is unconditionally released, is credited through the date waivers were requested.
in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
is credited at the rate of 172 days per "year", though the season is actually 182 days long.
is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service).

GAME WINNING RBI: The RBI that gives the club the lead it never relinquishes. (Note: There does not have to be a game-winning RBI in every game and all game-winning RBIs must conform to RULE 10.04).

PLAYING RULES:
Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory—if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

THREE HOME RUNS IN A GAME: Did you know that Otto Velez is the only Blue Jays player to hit three HR's in one game? . . . It occurred in the first game of a DH on May 4, 1980 vs Cleveland at the expense of Dan Spillner, Wayne Garland and Sid Monge. . . . Four opponents have hit three home runs in a game off Blue Jay pitching and all four have done it at Exhibition Stadium. . . . John Mayberry (Kansas City) on June 1, 1977; Cliff Johnson (New York) on June 30, 1977; Eddie Murray (Baltimore) on September 14, 1980; Jim Rice (Boston) on August 29, 1983 (2nd game).

Like no other in the World!

Beginning in 1989 the Blue Jays will play in the new retractable roof domed stadium being currently built at the foot of the CN TOWER in downtown Toronto.

In the heart of Metropolitan Toronto, described by Fortune magazine as "one of the world's newest great cities", an exciting new development is taking shape that will make this 'great' city even greater! It's the new 'domed' Stadium that will be 'like no other in the world!"

This revolutionary entertainment complex will be the world's first multi-purpose stadium with a retractable roof. Rain or shine, it will accomodate not only major league sports franchises like the Toronto Blue Jays but also provide magnificently versatile facilities for large exhibitions, trade shows, concerts, musical extravaganzas and other attractions of all kinds. Expected to attract upwards of 4 million spectators annually, it will add yet another exciting new dimension to Toronto's lifestyle and reputation as financial capital, cultural centre, communications hub and tourist mecca.

"The Dome" will also be a showpiece for Ontario and Canadian architectural and engineering design, and construction technology.

The Stadium Corporation of Ontario is a Provincial Crown Corporation responsible for development and construction of the new 'domed' Stadium. It, together with a group of major Canadian Corporations has put together a financial package that is making a 'dream' Stadium a reality.

This partnership is a truly unique blending of government and business interests. The Provincial and Metro governments have each allocated $30 million towards the project, while the public sector companies have invested upwards of $100 million dollars. Upon completion, the Stadium will be owned and operated by the partnership.

Other funding is to be generated through a variety of promotional programs involving the general public.

The unique financing arrangements for 'The Dome", blending government and private sector investments in a common purpose, will stand as a model of what enlightened teamwork can accomplish.

Most of all 'The Dome" will be a year-round people place, where residents and visitors alike will come to enjoy themselves in an extra-ordinary entertainment environment.

THE PEARSON CUP

The Pearson Cup Game is an annual exhibition series between the Montreal Expos and the Toronto Blue Jays. The series is named in honour of the late Prime Minister of Canada and Nobel Peace Prize winner, Lester B. Pearson. The proceeds from the game are donated to amateur baseball in Ontario, Quebec and Canada. Over $530,000 have been raised in the eight games that have been played.

The game is played during the season with the site alternating on a yearly basis between the home parks of the two clubs, Olympic Stadium in Montreal and Exhibition Stadium in Toronto. No game has been scheduled for 1987 due to the non-existence of a mutually satisfactory date.

The series currently stands at 3-3-2 with the BLUE JAYS undefeated in the past three encounters (2-0-1). Following are the line scores for each of the eight Pearson Cup encounters. The 1981 game was cancelled due to the players' strike.

CANADIAN BASEBALL HALL OF FAME

THE CANADIAN BASEBALL HALL OF FAME was inaugurated in 1983 to honour those who have made a major contribution to Canadian baseball.

The Canadian Baseball Hall of Fame and Museum is located at Ontario Place, opposite Exhibition Stadium in Toronto. The first level consists of the Musuem where artifacts from Canadian baseball history are diplayed. The second level is reserved for the persons who have made spectacular contributions to the game in Canada. Each inductee is honoured with a plague detailing his contribution to the game.

The Blue Jays organization have great pride in two of their own who have been inducted into Canada's Baseball Hall of Fame.

DR. RON TAYLOR, inducted in 1985 was a right-handed relief pitcher with five major league teams from 1962 to 1972.

Taylor, who helps in the game today as team physician for the Blue Jays, appeared in two World Series working seven innings without allowing a run.

In 1964, Taylor led the World Champion St. Louis Cardinals in appearances with 63 and saved game four of the World Series vs the Yankees with four innings of shutout ball.

In 1969, as a member of the New York Mets, Taylor led the club in saves (13) and appearances (59) and picked up a World Series save against the Baltimore Orioles.

Taylor started his career in 1962 with Cleveland and also pitched for Houston and San Diego.

He pitched 799 innings in 491 games for a record of 45 wins, 43 losses, 72 saves and a 3.93 ERA.

BOBBY PRENTICE, inducted in 1986, is one of Canada's most successful amateur scouts.

Prentice, who joined the Blue Jays as Director of Canadian Scouting on Nov. 1, 1976 had been associated for 17 years as a scout with the Detroit Tigers.

During his 10 full-time and seven part-time seasons as a Tiger scout, Prentice was responsible for signing of such Canadians as John Hiller, George Korince and Mike Kilkenny—three Canadians who pitched in the Tiger organization through the 1960s.

Prentice was also instrumental in the Tigers drafting of Dave Lemanczyk, who was playing for Guelph of the Inter-County League in Ontario. Lemanczyk went on to a major league career which included a stop with the Blue Jays.

His involvement in baseball doesn't stop with scouting.

He played in the Cleveland Indian organization for nine years between 1949 and 1957. As a power hitting infielder, Prentice led his club in home runs four times and led the Three I (Class B) League in RBI in 1950.

As a member of the American Association pennant-winning Indianapolis team in 1955, he was a teammate of such Indian greats as Herb Score and Rocky Colavito.

His greatest involvement in Canadian baseball comes as an inspiration to seek continued improvement for amateur baseball. He is directly involved in projects such as the National Baseball Institute, Pearson Cup Game and co-ordination of clinics for coaches and players across Canada.

THE GOLD GLOVE

JESSE BARFIELD (OF) and TONY FERNANDEZ (SS) in 1986 became the first Blue Jays in the club's ten year history to win Gold Gloves.

The Gold Glove Awards are presented by THE SPORTING NEWS in co-operation with Rawlings Sporting Goods Company to those players considered the best at their positions by vote of league managers and coaches. Selection is based not only on consistency (i.e. fielding percentage) but also on range, overall ability and effectiveness.

STARTING LEFTY SHORTAGE: When Jimmy Key defeated California 6-3 on May 1, 1985, a rather auspicious streak was snapped. The Blue Jays had gone 614-games without a win by a starting LHP. . . . prior to Key's win, the last Blue Jays starting LHP to register a win was Paul Mirabella who defeated Boston 3-1 (second game) on October 4, 1980. . . During the streak the Blue Jays started LHP's on 19 occasions.

PINCH HIT POTENTIAL: The Blue Jays set a club mark with three pinch hit HR's in three consecutive at bats, August 1, 3, 5, 1984. . . After going 126 at bats in 1984 without a round-tripper Ernie Whitt lit up Kansas City's Bret Saberhagen, for two runs on August 1st. . . Then at Baltimore on August 3rd Orioles reliever Bill Swaggerty fell victim to a three-run shot by Willie Aikens. . . The final HR was a solo blast by Cliff Johnson vs Orioles Tippy Martinez on August 5th. . . It was Johnson's 19th career PH HR which set a new major league record.

TWO CANADIANS have worn the Blue Jays uniform in the history of the franchise. Infielder Dave McKay was a member of the Blue Jays from 1977-79. . . . A native of Vancouver, McKay played 3B in the club's inaugural game, April 7, 1977. . . . Paul Hodgson, an outfielder from Fredericton, New Brunswick, played with the Blue Jays in 1980. . . . In addition to these two players, there have been two others that have been on the club's 40-man winter roster. . . . They are RHP, Dave Shipanoff (Oct. 1982-Apr. 1984) and outfielder Rob Ducey (Nov. 1986–).

AWARDS

LABATT'S 'BLUE' PLAYER OF THE MONTH

Voting is conducted after each Blue Jays game, home and away, by a panel of accredited media personalities to select the outstanding Blue Jays player. The player with the greatest point total at the end of the season receives the Labatt's 'Blue' Most Valuable Player Award, along with $1000 and a cheque in a matching amount donated to the player's favourite charity. Monthly winners receive $500 and a matching amount to their favourite charity along with the Labatt's 'Blue' Player of the Month Trophy. In 1983 the award was split into separate 'Player' & 'Pitcher' awards.

POST-SEASON EPILOGUE

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. . . The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

In Game 1 Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

Game 2 was a much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after $3^1/_2$ innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however in the 9th a on pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2-games to none.

In Game 3, George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after $4^1/_2$ innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

Game 4, the Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

In Game 5, LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3-games to 2.

The Blue Jays and Royals returned to Exhibition Stadium for Game 6. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three-games apiece.

October 16th – Game 7 – Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3-games to one and comeback to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

MAJOR LEAGUE DRAFT

The Major League Draft is held annually during the winter meetings. Players on a minor league roster with three years of pro ball may be drafted for $50,000. Prior to 1985 the draft price was $25,000. The drafted player must remain with its new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous season records and alternating between leagues.

Following this major league draft a separte selection is held by National Association clubs from class AAA to A levels. A "AAA" selection price is $12,000. A "AA" selection is $4,000.

IRON MAN STREAK Alfredo Griffin holds the Blue Jays record by playing in 392 consecutive games between September 6, 1981 and May 27, 1984 (second game). At the time that the streak was snapped it was the longest current streak in the Major Leagues. . . Ironically, Griffin entered that game in the 9th inning as a pinch runner and scored the winning run in a 2-1 game. However, since Griffin only appeared as a pinch runner, he did not receive credit for a game played to extend the streak (Rule 10.24(c)). . . The club's current Iron Man streak is 327 games by Tony Fernandez whose current streak began September 28, 1984 vs Milwaukee.

HOME RUNS IN CONSECUTIVE GAMES

George Bell hit four home runs in four consecutive games (August 23, 24, 25, 26) in 1985 to set the club record.

REMAINING BLUE JAYS: Only three players remain with the Blue Jays from the 1976 Expansion Draft. . . They include pitcher Jim Clancy (3rd selection–Texas Rangers), catcher Ernie Whitt (17th round, Boston) and third baseman Garth Iorg (21st round–New York).

BASE THEFTS ABOUND: On August 5, 1984 at Baltimore the Blue Jays set a club record with seven stolen bases. Dave Collins and Willie Upshaw each set personal highs with four and two respectively while Lloyd Moseby picked up one. Ironically, not one of the seven stolen bases figured in the scoring of a Blue Jays 4–3 win.

DÉJA VU: Tom Henke became the first Blue Jays pitcher to record saves in both ends of a doubleheader, August 27, 1986 at Cleveland. . . Henke pitched one shutout inning to secure a 3-2, 12 inning win the opener and then $1^{2}/_{3}$ shutout innings (3 strikeouts) to preserve a 5-3 win in the nightcap.

TORONTO BLUE JAYS
TEN-YEAR REVIEW

1977 Major League Baseball comes to Toronto

Manager	W	L	Pct.	Pos.	GB	Attendance

Dave Lemanczyk had 13 wins and 278 IP.

APRIL 7, 1977: Big-league baseball came to Toronto, to a snow-covered field. The 1977 Blue Jays – a team of rookies, career minor-leaguers, and players other clubs didn't want – played the Chicago White Sox, a team then in its seventy-sixth year of existence. And, just as in the story books, the unknown Blue Jays won – and Torontonians were won over. That season, 1,701,052 fans turned out to share the city's first taste of major-league baseball.

The first-year Jays never threatened to win the pennant – they finished with 54 wins and 107 losses – but the team was entertaining and surprisingly competitive, with 77 of its 161 games decided by only one or two runs. And the club had character; players began emerging as fans' favourites right from that first game on April 7.

Doug Ault, a 27-year-old rookie first baseman, homered twice in the Jays' first game. Outfielder Otto Velez, acquired from the New York Yankees, started the season with a bang, hitting .442 for the month of April and winning the American League Player of the Month award. Bob Bailor, the Jays' first pick in the 1976 expansion draft, turned in a gritty first-season performance which saw him hit .310, the highest-ever mark for a player on a first-year expansion club. Ron Fairly, a twenty-year veteran, led the club with nineteen home runs and became the first player since Stan Musial to play more than 1,000 games in both the infield and the outfield.

On the mound, Dave Lemanczyk led the staff, working 252 innings and recording thirteen wins, another first-year expansion club record. Second in wins and innings pitched was lefthanded forkballer Jerry Garvin, who led the A.L. in pickoffs with 22. The club's first relief specialist was Pete Vuckovich who finished with eight saves, a 7-7 record, and an ERA of 3.47. Vuckovich, who went on to win the Cy Young Award with Milwaukee in 1982, pitched the Jays' first shutout, a 2-0 win over Baltimore on June 26.

The Blue Jays were in the big leagues, and the slow process of building a ballclub had begun.

Victor Cruz had 9 saves and an ERA of 1.71.

TWO EXPERIENCED HITTERS joined the Jays for their second season. Righthanded-hitting designated hitter Rico Carty and lefthanded-hitting first baseman John Mayberry joined the club to add to the offensive punch expected to come from Ault, Velez, Bailor, and third baseman Roy Howell.

The club's first free agent, Luis Gomez, played shortstop, and Canadian infielder Dave McKay was shifted to second. In the bullpen, Pete Vuckovich was traded for two pitchers, lefthanded starter Tom Underwood and twenty-year-old reliever Victor Cruz.

Despite the changes and the improvement in many of the Jays' young players, this was a tough year on the field, as the club lost 102 games. Consistent offence and pitching proved elusive, as the Jays were outscored by their opponents 775-590 over the course of the season. Carty and Mayberry each hit 20 home runs and combined to drive in 138, but it wasn't enough.

A bright spot was rookie centrefielder Rick Bosetti who had seventeen assists and established a Blue Jays tradition of fast, young outfielders. Roy Howell, 1978's Player of the Year, played strongly at third base, while contributing eight homers and 61 RBIs.

Jim Clancy, in his first full season in the big leagues, was the club's only pitcher to win ten games. Tom Underwood led the staff in strikeouts with 140 while Victor Cruz topped all Toronto relievers with nine saves and a minuscule ERA of 1.71. Underwood got the win in the highest-scoring game in Jays history, a 24-10 win over Baltimore on June 26. Mike Willis, a lefthanded reliever, had his first start of the season on September 20 when he faced Ron Guidry of the Yankees. Guidry was enjoying a sensational season and was 22 and 2 coming into Toronto. Willis responded with his only complete major-league game, beating Guidry and the Yankees 8-1.

In the June free-agent draft, the Jays, picking second, selected a young outfielder named Lloyd Moseby. Down in "A" ball, eighteen-year-old Jesse Barfield hit just .206, and another struggling slugger, Dave Stieb, was switched from the outfield to the pitcher's mound.

Alfredo Griffin was Player of the Year in 1979.

WINS WERE SCARCER than ever for the Jays. Though some of the club's young players began to show their talents, the Jays won only 53 times in 1979.

The youth movement continued with the trade of veteran catcher Alan Ashby to Houston for righthander Mark Lemongello, outfielder J.J. Cannon, and infielder Pedro Hernandez. With Ashby gone, Rick Cerone became the club's number-one catcher and delivered 61 RBIs hitting from the number-nine spot in the batting order. Another deal sent Victor Cruz, Rookie of the Year on last year's club, to Cleveland for Phil Lansford and a young shortstop from the Dominican Republic, Alfredo Griffin. Griffin started slowly in Toronto, but went on to become a co-winner of the American League Rookie of the Year award, along with John Castino of Minnesota. Griffin hit .287 with 179 hits, 81 runs scored, ten triples, and 21 stolen bases – club records, all of them.

Jim Clancy worked only 64 innings as a serious ankle injury put him on the disabled list. Tom Underwood lost his first nine decisions before going 9-7 for the rest of the season; he was the only Jays pitcher to go 200 innings.

On June 26 a talented rookie pitcher completed the almost unheard-of leap from "A" ball to the majors in one season. Dave Stieb, who had been converted from the outfield the previous year, was 5-0 with Dunedin in "A", 5-2 with Syracuse in "AAA", and 8-8 with Toronto, for a combined record of 18-10. Most of the Jays' other prospects were still honing their skills in Dunedin, Florida. Lloyd Moseby hit .332 and Jesse Barfield had 71 RBIs in the Florida State League.

Roy Hartsfield, who had managed the Jays for their first three seasons, was fired after the campaign. The second phase of building the Blue Jays was about to begin.

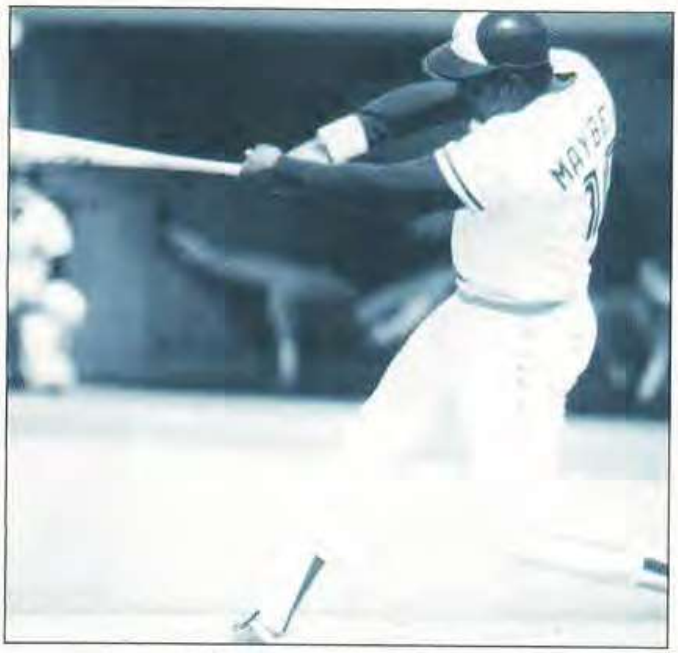
1980 A new manager and the best season yet

Manager	W	L	Pct.	Pos.	GB	Attendance
Bob Mattick	**67**	**95**	**.414**	**7th**	**36**	**1,400,327**



John Mayberry hit a club-record 30 home runs.

BOBBY MATTICK was made the club's new manager. As the Jays' scouting supervisor, Mattick had been responsible for recruiting and developing the talented young ballplayers in the Blue Jays' system. Though he was a managerial rookie, his forty years in baseball, and his familiarity with the Jays' personnel, made Mattick a natural for the job. The Jays responded with their best season to date, 67-95, for a winning percentage of .414. It was the club's first season with fewer than 100 losses.

An important trade sent Tom Underwood and Rick Cerone to the New York Yankees for first baseman Chris Chambliss, lefthander Paul Mirabella, and minor-league infielder Damaso Garcia. Chambliss was then traded to Atlanta for outfielder Barry Bonnell and relief pitcher Joey McLaughlin.

John Mayberry had 30 home runs, establishing a club record that would stand for six seasons. Alvis Woods hit .300 with fifteen home runs and Barry Bonnell had 56 RBIs. Injuries eventually subdued the Jays' offence as Bonnell, Bob Bailor, Rick Bosetti, and Otto Velez were forced out of the lineup.

Jim Clancy and Dave Stieb had become the club's top two starters, with 13 and 12 wins. Stieb was American League Pitcher of the Month for April and represented the Jays at the All-Star Game. Jerry Garvin moved to the bullpen and recorded a 2.28 ERA in 61 appearances. Joey McLaughlin, Paul Mirabella, and Jesse Jefferson all pitched more than 120 innings.

Garth Iorg, who had seen spot duty with the Jays in earlier seasons, had 222 at-bats. Damaso Garcia played regularly at second, hit .278, and combined with shortstop Alfredo Griffin to give the club excellent middle-infield defence. Danny Ainge, a professional prospect in both basketball and baseball, had 111 at-bats as a utility infielder. Ernie Whitt became the team's number-one catcher and Lloyd Moseby and Willie Upshaw made the Blue Jays to stay.

More pieces of the puzzle were beginning to fall into place.

1981 A split season sees the Jays turn around

Dave Stieb was 11-10 with 184 IP.

IN A SEASON SPLIT in half by a 59-day players' strike, the Blue Jays' performance combined the worst start and the strongest finish in the franchise's five-year history. When the strike began, the Jays' record was a mediocre 16-42 for a .276 winning percentage. After the strike was over, the Jays played .500 baseball for all but the last two weeks of the season.

Dave Stieb became the first Jays regular starter to win more decisions than he lost, finishing the year at 11-10 with an ERA of 3.19. Jim Clancy, troubled by nagging injuries, finished at 6-12. Luis Leal, a righthander in his second year with the club, was 7-13 with a 3.68 ERA in 130 innings pitched. In the bullpen, Joey McLaughlin recorded ten saves and a 2.85 ERA and Roy Lee Jackson, acquired from the Mets for Bob Bailor, had seven saves and an ERA of 2.61.

Damaso Garcia had an excellent second half for the Jays, hitting .375 before being struck by a pitch that broke his wrist in late August. Jesse Barfield and George Bell, who had been acquired from the Phillies in the major-league draft, began to play in the outfield after the strike. Barfield and Bell started in the outfield with Lloyd Moseby for the first time on September 3, 1981. Moseby, in his first full season with the Jays, tied with first baseman John Mayberry for the club lead in RBIs.

Tony Fernandez, a gifted eighteen-year-old Dominican shortstop, began his rapid climb through the minors. He finished the year in "AAA", hitting .278 in Syracuse. At the close of the season, the Jays – almost without realizing it – had become a promising, capable team loaded with young talent and ready to move forward. Manager Bobby Mattick was replaced by Bobby Cox at the end of the season as the Jays continued to improve.

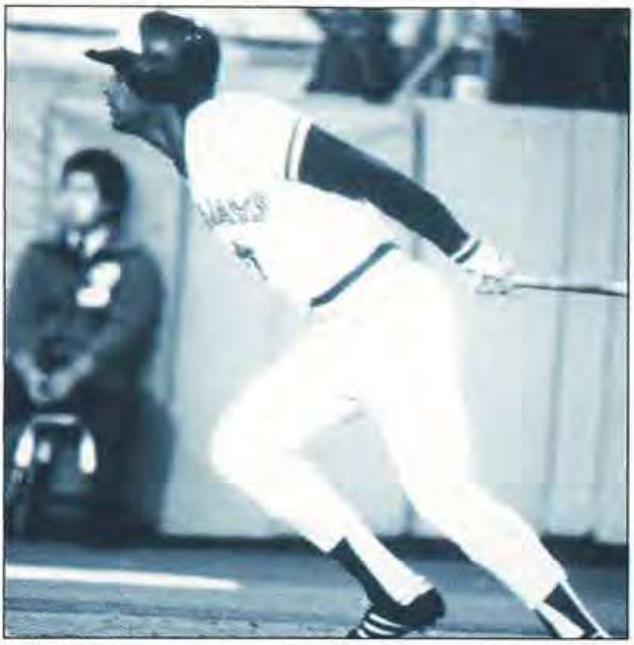
1982 Cox's platooning Jays on verge of contention

Manager	W	L	Pct.	Pos.	GB	Attendance
Bobby Cox	**78**	**84**	**.481**	**T6**	**17**	**1,275,978**



Damaso Garcia hit .310 in 1982.

THIS WAS THE YEAR that the Jays finally escaped seventh place in the American League East Division standings. A late-season surge saw them win ten of their last twelve games and finish in a tie with Cleveland for sixth. The club's winning percentage showed its greatest improvement, as the Jays finished at .481 with 78 wins.

Bobby Cox's first season as manager saw some of the club's promising young players take increasingly large roles. Willie Upshaw took over at first base after John Mayberry was traded to Kansas City in May. In 580 at-bats, Upshaw had 75 RBIs and 21 home runs. Damaso Garcia had his best season yet, hitting .310 with 185 hits and 58 stolen bases. He was the toughest Blue Jay to strike out in 1982, and could have posted even greater numbers had he not suffered a hand injury when he was again hit by a pitch in late August. Garcia was the Jays' Player of the Year. Jesse Barfield, playing rightfield almost exclusively against lefthanded pitching, had eighteen home runs and 97 hits, including a pinch-hit grand slam. Despite being a platoon player, Barfield was second in the American League in outfield assists, with fifteen, and was selected as the club's Rookie of the Year.

Platooning was an important part of Cox's strategy. Barfield shared rightfield with Hosken Powell. Garth Iorg and newly acquired Rance Mulliniks shared third and Ernie Whitt and Buck Martinez handled the catching responsibilities.

Meanwhile Dave Stieb was blossoming into one of the American League's top pitchers. He led the league with 288.1 innings pitched, nineteen complete games, and five shutouts. He won a club-record seventeen games for the Jays, despite being unable to register a win until his fifth start of the season. Jim Clancy rebounded from his injuries of the previous season to post a 16-14 record and Luis Leal gave the Jays their first effective third starter, going 12-15 with 250 innings pitched. In relief, Dale Murray became the Jays' ace, with eleven saves and eight wins in 111 innings pitched.

The club appeared ready to move up the standings in the American League East.

THE BLUE JAYS had at last become serious contenders. This season saw the ballclub only 1½ games out of first place in late August when, in one disastrous week, the Jays lost six times either in extra innings or in the ninth.

The team strengthened its designated hitting, acquiring veteran sluggers Cliff Johnson and Jorge Orta through trades. The two combined for 34 home runs and 113 RBIs, the top totals in the league. The Jays increased their total run production to 795, up almost a full run per game on 1982, and their .277 team batting average and .436 slugging average led the American League.

Lloyd Moseby had his finest season, becoming the first Jay to score more than 100 runs. He hit .315 with eighteen home runs, 81 RBIs, and 27 stolen bases. Power came from Willie Upshaw who became the first Jay to record 100 RBIs. He had 27 homers and 99 runs scored, sharing Player of the Year honours with Moseby. Damaso Garcia had another strong year, finishing at .307 with 31 stolen bases despite being hampered by knee problems.

The outfield had a different look due to the acquisition of Dave Collins from the New York Yankees. Collins platooned in left with Bonnell and, later in the season, George Bell. Bonnell did spot duty in all outfield positions, hitting .318. Barfield had 27 homers in right.

The pitching staff depended on Stieb, Clancy, Leal, and Jim Gott as starters, but when Gott was sidelined with recurring blister problems, the Jays acquired veteran righthander Doyle Alexander who had been released by the Yankees in June. Alexander won seven and lost six for the Jays.

It was quite a year in baseball. George Brett had a home run disallowed because he had too much pine tar on his bat and Dave Winfield accidently hit one of Exhibition Stadium's ever-present outfield seagulls with a baseball. More important, it was the year of Toronto's first exposure to pennant fever. Fans were ready for more.

1984 Unstoppable Tigers hide Jays' strong season

Doyle Alexander was 17-6 with an ERA of 3.13.

THE JAYS MADE MOVES to improve their bullpen, as late or extra-inning losses had hurt the club in 1983. Dennis Lamp became Toronto's first significant free agent signing, and a trade that sent Barry Bonnell to Seattle brought lefthander Bryan Clark to the Jays' relief corps.

Despite these efforts, the year was marked by the inability of the Jays' bullpen to close games. After a seemingly charmed streak of nineteen one-run victories in the first half of the season, the Jays dropped 25 of 40 one-run games over the rest of the schedule. They finished with 89 wins, matching their 1983 total and winding up in second place. This was the year of the "flying Tigers", as the Detroit club's fast start (35 wins in their first 40 games) allowed them to lead from wire to wire.

Player of the Year for the Jays was Dave Collins, whose .308 batting average with 41 extra base hits and 60 stolen bases made him the team's rally-starter. Moseby had his second fine season, hitting .280 with eighteen homers and 39 stolen bases. Rance Mulliniks, part of the Jays' third-base platoon, hit .349 with runners in scoring position. His .326 average was the best on the club. Tony Fernandez played in 88 games with the Jays, hitting .270 and staking claim to the starting shortstop's job for 1985.

Doyle Alexander had a great year on the mound, going 17-6 with 262 innings pitched and eleven complete games. Stieb had another fine year at 16-8 with an ERA of 2.83. Jim Clancy and Luis Leal each won thirteen games.

For the first time in franchise history more than two million fans made their way to Exhibition Stadium to be part of a pennant race. But the Tigers never faltered; the Blue Jays were a good team, but a piece or two was still missing from the championship puzzle.

1985 A Dream Season: 99 wins and a championship

Lefthander Jimmy Key won 14 games with 213 IP.

A FIRST-PLACE FINISH and the American League East Division Championship came to the Blue Jays on October 5, 1985 when Doyle Alexander pitched a complete game to beat the New York Yankees 5-1. The Jays finished with 99 wins and went on to take a 3-1 lead in games against the Kansas City Royals in the American League Championship Series, before the Royals battled back to win in seven games.

The Jays had made changes. In December of 1984, Griffin and Collins had gone to Oakland for relief ace Bill Caudill. Jim Gott and two minor leaguers had gone to San Francisco for lefthander Gary Lavelle in January of 1985. Dennis Lamp had been moved to middle relief and Jimmy Key had become part of the starting rotation. Bell, Barfield, and Fernandez were now everyday players. Cliff Johnson, who was later reacquired in mid-season, signed with Texas as a free agent, and as compensation, the Jays received little-known pitcher Tom Henke, who began the year in "AAA".

The team moved into first place on May 13. The Jays' bullpen had its best record ever, with 47 saves and a 35-20 won-lost record. After a fast start, Caudill's production tailed off and Jim Acker got the call in short-relief situations. Acker registered ten saves, seven wins, and a 3.23 ERA. Dennis Lamp, pitching long or middle relief, had a remarkable 11-0 season and was the Jays' most consistent pitcher. But the big bullpen story was Tom Henke. Called up in late July, the hard-throwing righthander became the club's top reliever, saving thirteen of fifteen games. Jimmy Key had a fine season in his first year as a starter, going 14-6 and giving the Jays their first wins by a lefthanded starter since Paul Mirabella defeated Boston on October 4, 1980.

Barfield and Bell were friendly rivals for Player of the Year; both hit and fielded their positions strongly. Tony Fernandez appeared in all 161 games, batting .289. Garth Iorg had his best season, hitting .313. Ernie Whitt had nineteen homers.

The Jays had come within one win of the American League pennant. Nine seasons of player development and roster moves had established the club as one of baseball's best.

1986 All-Star Performances but a slow start hurts

All-star Jesse Barfield hit 40 home runs.

THE BLUE JAYS' tenth anniversary season proved the baseball adage that it's easier to win a title than to defend one. The American League pennant and World Series Championship would have to wait at least another season as the club, under new manager Jimy Williams, finished the season in fourth, 9½ games behind the Boston Red Sox.

George Bell and Jesse Barfield had the finest seasons of their careers. Bell had 31 home runs and 38 doubles along with a club record 108 RBIs – tied with Barfield, who established club records with 40 homers, 107 runs, a .559 slugging percentage, and 108 RBIs. Tony Fernandez, again playing in every game, led the club with a .310 average and showed himself to be one of the top shortstops in the game. Barfield, Bell, and Fernandez were selected to post-season all-star teams and Barfield and Fernandez became the first Blue Jays to win Gold Glove awards. Rick Leach finished at .309, appearing in 104 games at first base, in the outfield, and as a designated hitter. He had ten pinch-hits.

Jim Clancy and Dave Stieb became the club's first 100-game winners. Clancy was the most consistent of the Jays' starters for most of the season, though he lost his final seven decisions. Dave Stieb lost his first six decisions; he was 2-9 at the All-Star break but improved to finish at 7-12. Jimmy Key was also winless in his first six starts, but found his groove to finish the season at 11-11. He did not allow a run in his last 19.1 innings of work. Mark Eichhorn, who earned a spot on the roster in spring training, won fourteen games in relief in 1986, and set the club record for lowest ERA at 1.72. Eichhorn, who had adopted a submarine-style delivery, held opposing teams scoreless in 42 of his 69 appearances and was selected rookie relief pitcher of the year by *The Sporting News*. Tom Henke continued as the team's top stopper, finishing with a club record of 27 saves.

Ten seasons have seen the Blue Jays grow from raw expansion franchise to multi-talented team. The club's second decade begins with a nucleus of players among the best in baseball.
